

## Donation

The Girl Scouts—Dakota Horizons serves girls ages 5-17 in SD, ND, 13 counties in MN and 2 counties in IA. Today's Girl Scouts are tomorrow's involved citizens and leaders. Our mission is focused on programs that provide girls the opportunity to build self-confidence, develop leadership skills, strengthen character and feel a sense of belonging while experiencing the Girl Scout Leadership Experience.

**We are proud to provide programming due to individual, family and community support.**

We are a recipient of United Way funding, however, these funds account for only a portion of our budget. The money that is donated by individuals, families and community partners is money well spent as girls grow strong.
